# Facts About the Free FamilyWize Prescription Savings Card

FamilyWize is a community service partnership focused on improving the health and well-being of individuals and communities. Through our partnerships with United Way and more than 100,000 community organizations, government agencies, pharmacies, health systems and businesses, we are making prescription medications more affordable.

AVERAGE  
Savings  
of 42%

**Who:** Nearly everyone! Whether you are uninsured, insured with high deductibles or co-pays, or take medication not covered by your insurance, show your card and ensure you get the best price.

**What:** Savings! The card saves an average of 42% on all FDA approved prescription medications. It's like a discount coupon that you can use as often as you want!

**Where:** Nationwide! Over 60,000 pharmacies nationwide, including all the major chains.

**When:** Immediately! The card can be used immediately, with no registration required.

**Why:** Healthier families and communities! FamilyWize ensures you get the best price on your prescriptions. It's just smart shopping.

## How the Free FamilyWize Prescription Savings Card works:

1. Get your free card – available three different ways:
  - Print your card from [familywize.org](http://familywize.org)
  - Download the free FamilyWize app on your smartphone
  - Call FamilyWize at 800-222-2818 to have a card mailed to you
2. Show your pharmacist the FamilyWize card every time you drop off your paper prescription or pick up your e-prescription
3. Get the lowest price possible – from FamilyWize, from the pharmacy, or from your insurance

FamilyWize also provides a free Drug Lookup Tool, available on the app and on [familywize.org](http://familywize.org) – use it to search local pharmacies for the lowest price on your prescription!
