Can we count you in?

LIVE UNITED!

Please join United Way in strengthening our community with your gift.

GIVE.

A workplace campaign is the easiest and most powerful way to invest in improvements for your community. You can direct your contribution to an impact area or allow local volunteers to direct your contribution where it is needed most.

ADVOCATE.

You can make change happen with your voice. Get informed. Tell your friends. Write a letter to the editor. Like us on Facebook. United Way needs people who are passionate about education, financial stability and health to make some noise.

VOLUNTEER.

United Way works with volunteers and local nonprofits to develop opportunities for youth, working adults and seniors. Call 330-297-1424 or visit www.uwportage.org to find local volunteer opportunities.

CONNECT WITH US ON
SOCIAL MEDIA

As we kick off United Way of Portage County's 2026–27 Campaign, we're reminded that real change begins with people who care. It begins with you.

Every day, neighbors across Portage County face challenges that can seem overwhelming. Families struggle to put food on the table, children need opportunities to learn and grow, and older adults rely on services that help them remain safe and independent. Thanks to generous supporters like you, those challenges are met with hope, help, and lasting solutions. Last year alone, your generosity helped provide vital resources to thousands of local individuals and families.

As we look ahead, we invite you to continue making a difference. Your gift strengthens programs, supports local agencies, and creates opportunities for people throughout Portage County to build brighter futures.

We know there are many worthy causes competing for your support, and we are sincerely grateful that you choose to invest in your local community. Together, we can ensure our neighbors have the resources they need not just to get by, but to thrive.

THANK YOU
FOR GETTING INVOLVED.
CHANGING LIVES.
LIVING UNITED.
