

UNITED WAY OF PORTAGE COUNTY LITERACY KITS

AUDIENCE

Kindergartners and students in Portage County Head Start programs.

WHAT ARE LITERACY KITS?

The Literacy Kit program encourages early grade reading by making the experience fun. These literacy kits are made available through your generous sponsorship to kindergarten students engaged with United Way of Portage County's Reading Role Models program and students in Head Start programs through Portage Learning Centers.

Please help us continue this valuable program with your sponsorship.

United Way of Portage County is proud to partner with Kent State University in providing Literacy Kits to Portage County kindergartners and Head Start students each year. The kits include a children's storybook paired with a hands-on activity created to follow the story and encourage the love of reading and generate long-term school success.
